Gulf Coast Medical Center Physician Earns NCQA Recognition for Back Pain Care

Port Richey, Fla., August 17, 2010 - Michael Strobbe, D.O. is the latest Gulf Coast Medical Center doctor to earn accreditation from the National Committee for Quality Health (NCQA). Now accredited in back pain care, Dr. Michael Strobbe has also received recognition for his skills in providing the highest level diabetes and heart/stroke care to his patients.

NCQA awarded the three-year recognition to Dr. Strobbe due to his outstanding ability to provide top quality care to patients with back pain.

"Dr. Michael Strobbe is an excellent representative of Gulf Coast Medical Center's values," stated owner Dr. Steven Strobbe. "With his achievements, he strives to enforce our mission of providing quality healthcare to our patients. Organizations such as NCQA assist in our determination to improve patient care."

With two Locations in Port Richey, Fla., privately-owned Gulf Coast Medical Center is a leader in out-patient multi-speciality medical services. Serving the West Pasco area since 1984, the Joint Commission, ACR and COLA accredited facilities combine comfort with technology to offer patients an exceptional medical experience.
