Gulf Coast Medical Center Staff Recognition Program

Port Richey, Fla., April 10, 2012 – The Gulf Coast Medical Center (GCMC) Staff Recognition Program was held to honor staff members as valued contributors to the medical centers’ success, improve morale and nurture loyalty by recognizing those celebrating milestone anniversaries with GCMC.

“We are delighted with our staff and proud to have so many dedicated and hard-working team members,” said owner, Dr. Steven Strobbe. “We wanted to let them know we appreciate their efforts in keeping us a high-quality care center, and this luncheon is the perfect way to recognize those who have worked for us the longest as well as the new hires.”
