Gulf Coast Medical Center Now Offering Infusion Therapy

Port Richey, Fla., July 30, 2013 – Gulf Coast Medical Center is opening an Outpatient Infusion Center at their 11522 U.S. Highway 19 location.

“We’re excited about opening our Outpatient Infusion Center,” stated Lori Brienza, RN, LHRM, CCS-P, Facilities Director. “Dr. Grunbaum has extensive experience in providing infusions for the treatment of rheumatoid arthritis, gouty arthritis, psoriatic arthritis, and systemic lupus erythematosus, among other conditions. The addition of this service offers patients suffering from these conditions with additional options for treatment of their chronic disease in a friendly, semi-private and comfortable setting within our office under the direct care of a physician and nursing staff.”

For more information, please contact Gulf Coast Medical Center at (727) 868-2151.

With two locations in Port Richey, Fla. and one in Spring Hill, Fla., privately-owned Gulf Coast Medical Center is a leader in outpatient multi-specialty medical services. Serving the West Pasco area since 1982, The Joint Commission, ACR and COLA accredited and NCQA recognized facilities combine comfort with technology to offer patients an exceptional medical experience.
