Nicholas Strobbe, DO Earns a FAA Aviation Medical Examiner Certification

Port Richey, Fla., January 15, 2013 – Nicholas Strobbe, DO, Board Certified Internal Medicine, has been designated an Aviation Medical Examiner after training at the Federal Aviation Administration (FAA) headquarters in Oklahoma City.

As an Aviation Medical Examiner, Dr. Strobbe is a designated representative of the FAA. He has been delegated authority to perform medical examinations for private class II or class III medical certificates.

Dr. Strobbe is an avid pilot and passionate physician. He has pursued both fields for most of his life and strives for excellence in each.

“I am excited to receive this designation,” Dr. Nicholas Strobbe stated. “The opportunity to combine two lifelong passions is an extraordinary experience. I want to take this as far as I can go, attaining the distinction of performing class I medical certificates and more.”

Dr. Strobbe is seeing patients Monday through Saturday from 9:00 am – 5:00 pm. Dr. Strobbe is affiliated with local hospitals. Patients wishing to schedule an appointment may call the medical center at 727-868-2151.

With two locations in Port Richey, Fla. and one in Spring Hill, Fla., privately-owned Gulf Coast Medical Center is a leader in out-patient multi-specialty medical services. Serving the West Pasco area since 1982, The Joint Commission, ACR and COLA accredited and NCQA recognized facilities combine comfort with technology to offer patients an exceptional medical experience.
